SUPPORTERS CLUB JAPAN A SEASON CELEBRATION TO REMEMBER

The Supporters Club Japan brought the 2025–26 season to a memorable close with its biggest celebration to date. With 40 participants in attendance, the event marked a new milestone for the Japanese PSG community.

Held over two hours, the evening featured a recap of the season's activities, a special guest talk show, a PSG quiz and a chant lesson, giving supporters plenty of opportunities to celebrate their shared passion for the Club.

What was initially planned as a two-hour gathering flew by, with the evening coming to an end all too soon. The closing remarks also offered a look ahead to the inauguration of PSG Academy Japan taking place in September.

SUPPORTERS CLUB LISBONNE PSG IS A FAMILY AFFAIR

In Lisbon, the Supporters Club and PSG Academy, share a common passion : Paris Saint-Germain. While the parents of the Supporters Club continue to show their commitment to the Club, it gives their children an opportunity to play football at the Academy. This connection came to life through a 5-a-side match held alongside the youngsters' training session.

The fathers took to the pitch for a friendly showdown between PSG supporters and fans of Portuguese clubs. *"Having a PSG Academy here is a real chance and a great opportunity for us,"* explains Nicolas Geneau, President of the Supporters Club.

PSG Lisboa came out on top witha 10-7 victory.
